Community United Presbyterian Church Usage

Community United Presbyterian Church believes that the primary purpose of the congregation is worship and that the purpose of the church facilities is to be a place of worship.

It is also believed that the church has a mission to welcome and support the members of the church, members of the community and community non-profit organizations who wish to make use of the church facilities.

Those who wish to request use of the church facilities may print, complete, and submit the appropriate church usage form to:
