

Community United Presbyterian Church—Sponsored Group Church Usage Policy

The intent of the congregation of Community United Presbyterian Church is that the church is to be a place of worship. Worship is the primary purpose of the congregation. The church also believes that it has a mission to support the work of community non-profit organizations who wish to make use of the church facilities. Community non-profit organizations may apply to become a Sponsored Group of Community United Presbyterian Church.

Considerations:

1. Sponsored groups should make application through the Session of CUPC to become a Sponsored Group. The application includes filling out this form and providing information about the Primary Contact for the group.
2. All requests must be approved by Session prior to the use of CUPC building & grounds. Scheduling of regular meetings and special events is subject to availability as determined by the Church Event Calendar. CUPC reserves the right to reschedule any events or meetings.
3. Scheduling and financial arrangements for events outside of regular group meetings are the responsibility of the Primary Contact. Advance notice for scheduling special events is recommended.
4. “Right of Determination” – Session will have right to determine if any event request is in conflict with the mission and goals of Community United Presbyterian Church and may deny building usage for the event.
5. CUPC will provide adhesives that should be used in displaying decorations. If hanging items from the ceiling, assistance in doing so will also be provided by CUPC.
6. Sponsored Groups are responsible for cleaning, picking up the facilities, turning off lights, and locking doors. The Primary Contact will be given a key to the building and be responsible for insuring that these things have been done properly. The kitchen and all property therein are unavailable for use, unless the Primary Contact of a church sponsored organization or elder is present.
 - Tables and chairs should be clean and returned to their original setup.
 - Floors in all areas used are to be vacuumed, swept, and/or mopped.
 - Restrooms are to be tidied up.
 - Garbage is to be removed from areas used.
 - **Possession and use of alcohol, tobacco, and/or weapons are prohibited on all church property and will be grounds for forfeiture of building usage privileges.**
7. Sponsored Groups are responsible for the cost of cleaning or repair of damages made during events held.
